2020-2021 Individuals

Nova Scotia and Newfoundland

On behalf of the Board of Trustees, the NIB Trust Fund is pleased to announce 35 individuals from the Nova Scotia and Newfoundland region were approved for \$108,788 in funding. The NIB Trust Fund has approved 76% of applications received from the Nova Scotia and Newfoundland region. The applications were from Indian Residential School Survivors wishing to regain cultural knowledge and ceremonial teachings, traditional language learners, and students pursuing post-secondary education, certifications, and the trades.

The NIB Trust Fund is helping First Nations and Métis people continue our journey to revitalize language, culture, and bring healing to our communities. In the past year, the NIB Trust was able to invest in a wide variety of individuals education endeavours and advance the education and personal development of First Nations people in Nova Scotia and Newfoundland.

With this additional support from the NIB Trust Fund, we provide an opportunity for university, college, trade and training school recipients in your region to focus on their goals and achieve success. You can find more detailed information on how the NIB Trust Fund is making an impact in Nova Scotia and Newfoundland below.

The NIB Trust Fund offers two application opportunities; one for individuals where recipients receive awards, bursaries, and scholarships and another for groups and organizations where funding is distributed through grants and sponsorships.
