FUTURE GENERATIONS FOUNDATION

THE IMPACT OF THE FUTURE GENERATIONS FOUNDATION OVERVIEW

The Future Generations Foundation is proud to announce the approval of \$17,090,390 in funding. These funds are made possible through survivor funds, from the Indian Residential Schools Settlement Agreement (IRSSA). We support First Nations individuals and communities through comprehensive funding to strengthen cultural revitalization, healing, and educational initiatives in the region.

Over the past year, we have partnered with 115 dedicated organizations. These organizations are working to create and deliver impactful programs that are preserving traditional knowledge, uplifting youth, creating meaningful employment opportunities, and supporting healing initiatives across the region. The work of these organizations contributes significantly to our communities and the well-being of First Nations.

Additionally, we celebrate the achievements of 1,117 remarkable individuals who have received educational support. From post-secondary degrees to professional development, language revitalization, cultural teachings, and on-the-land learning, these scholars exemplify the leadership and resilience that will shape the future of First Nations communities.

To learn more about our impact across Turtle Island and explore future funding opportunities, please visit www.fgfoundation.ca.

The Future Generations Foundation (FG Foundation), led by and for First Nations, is dedicated to addressing the lasting impacts of the Indian residential school system by providing resources to strengthen cultural revitalization, healing, and community-driven initiatives. As stewards of the Indian Residential Schools Settlement Agreement funds, the FG Foundation has supported over 805 First Nations and organizations and more than 9,000 individuals across Turtle Island, fostering traditional knowledge and cultural pride for future generations.
